It is the duty of troupe directors submitting productions for adjudication to secure the rights with their licensing companies to record an archival filming of their production. Directors will submit a copy of their show using a single unedited camera from a single night of their production for judges to review. This film will be due within a week of the close of the production, if your production is scheduled in the third week of November, video submissions must be sent/postmarked no later than Tuesday, November 21st for consideration for mainstage

I understand the fee for adjudication by Kansas Thespians is due prior to the production.
